Review of minutes	Review of minutes from March 18, 2010	Minutes reviewed and approved	None
STAT Team visit June 7-11, 2010	Jodi Hackworth discussed the process for evaluating injury prevention in Indiana. The eight member team from the Safe States Alliance (formerly the State and	The team conducted an on-site, point-in-time assessment of the injury prevention program, and provided recommendations for improvement. Topics for review and discussion included the following:	

	<p>Territorial Injury Prevention Directors Association—STIPDA) assembled in Indianapolis on June 7-11, 2010. For three days, 53 presenters invited the Indiana state Department of Health (ISDH) provided in-depth briefing on injury prevention activities in Indiana. Jodi shared with the group the documentation required in preparation for the STAT survey. She also discussed content of some of the interviews.</p>	<ul style="list-style-type: none"> • Infrastructure • Data: Collection, analysis and Dissemination • Interventions: Design, Implementation and Evaluation • Public Policy <p>When the completed report is received at the ISDH, it will be presented to the Indiana Trauma Task Force and the full membership of the Injury Prevention Advisory Council for review.</p>	
Development of Survey and Plans for Implementation Developed	<p>Jodi discussed a twenty question IP survey from Wisconsin, which included a list of injury prevention definitions. The “Safe Communities” concept was also discussed and the opportunity for funding.</p>	<p>Development and implementation of a state injury and violence prevention plan should be data-driven and address all components of a multi-faceted program. All internal and external stakeholders should be involved in developing and implementing this plan. Attached to the minutes is a list of stakeholders as identified by those present at the meeting. As others are identified, they will be added to the list.</p>	<p>This survey will give us the information that will be used in development of our state Injury Prevention Coalition. STAT has asked that all be evaluated. Plan to develop booklet with all IP programs listed as a method to share information.</p>
Next Meeting	<p>August 10, 2010 with educational offering. The August 10th meeting will be from 9 am to 4 pm.</p>	<p>Members of the Advisory Council agreed to change the date of the next meeting from Thursday, September 16, 2010 to August 10. This will be an Injury Prevention education day for members, from 9 AM to 4 PM. The day will consist of a focused of the core curriculum from the Fall training of</p>	

		2009 and an opportunity to plan for on-going educational offerings.	
Announcements	Vickie Meyer informed group that a TOPIC course is being offered at Lutheran Hospital in Fort Wayne on September 18, 2010		

PLEASE NOTE: In an effort to be environmentally and fiscally responsible, we will be utilizing electronic copies as much as possible. We will only be providing a few copies of the agenda and minutes at each meeting. Please bring any “paper” copies of attachments/reports/etc with you to the meeting.
